## Emergency Care

With the increase in patient numbers and those with conditions relating to chronic illnesses, aging, and mental health, Emergency Departments are facing an ever-growing and more complex demand for services. We have provided a list of relevant articles from MA Healthcare journals dealing with this area, thereby providing your staff with research, information and tips that will support both their work and the quality of care for their patients.

### British Journal of Healthcare Management

- Artificial intelligence in emergency medicine  
Published Online:9 Jan 2025  
<https://doi.org/10.12968/bjhc.2024.0054>
